Hours of Operation

Online Banking is generally available 24 hours a day, 7 days a week, except during special maintenance and upgrade periods. All transaction requests initiated through the Online Banking and received after 5:00 p.m. (Central Standard Time) Monday through Friday will be processed the next business day.

ACCESS/SECURITY

To use Online Banking, you will need your own computer and related equipment and a compliant web browser that supports at least 128-bit encryption. You are responsible for the installation, maintenance, and operation of your computer. The bank is not responsible for any errors or failures from any malfunction of your computer and the bank is not responsible for any computer virus or related problems that may be associated with the use of your computer.

Online Banking is a service provided solely for use by our clients. During enrollment you will need to create an Access ID and password to gain access to your accounts using Online Banking. You should protect your password at all times and change it on a regular basis. You agree to keep the password safe and to not record, disclose or make the password available to anyone. Anyone who has access to your password will have full access to your accounts and the services you can perform using Online Banking. You have no ability to limit any such person's authority. If anyone uses your password with your permission (an "Authorized User"), you will be responsible for any transactions performed by that person.

The safety of our customers' accounts and account information is of paramount importance to First Resource Bank. We go through great lengths to protect confidentiality and the security of your account, and urge you to do the same. You understand that personal identification information by itself, or together with information related to your account, may allow unauthorized entry and access to your account. Your password is intended to provide security against unauthorized entry and access to your accounts. Data transferred via Online Banking is encrypted in an effort to provide transmission security and Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other. Notwithstanding the bank's efforts to insure that Online Banking is secure, you acknowledge that the Internet is inherently unsecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. The bank cannot and does not warrant that all data transfers utilizing Online Banking or e-mail

transmitted to and from the bank will not be monitored or read by others. While First Resource Bank continues to provide our customers with the level of online security we believe necessary and appropriate, customers who share their Access IDs and Passwords are giving up the full benefit of our security measures and legal protections to which they may be entitled. No First Resource Bank representative will ever call and ask for your Access ID or Password. The bank may, in its sole discretion, deny Online Banking account access or restrict Online Banking account transactions.

You will use an Access ID and password to access your accounts through Online Banking. We may also require additional security procedures to initiate certain transactions; these security procedures may require special hardware, software or a third-party service. You may also be required to use or activate specific Internet browser software features, plug-ins and add-ons, such as JavaScript support and "cookies", in order to utilize Online Banking.

Access ID's

Requirements for creating your Access ID:

- must be a minimum of 6 - 19 characters
- can be any combination of letters or numbers
- no special characters or spaces
- Access ID's are case sensitive

Password

You determine what password you will use; the identity of your password is not communicated to us. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. For your security minimum password requirements have been established.

All passwords:

- must be at least 8 characters
- Containing at least 1 number (0-9), 1 letter (A-Z), and 1 special character
- Passwords are also case sensitive
- You will be automatically prompted to change your password every 90 days

For security purposes, it is recommended that you memorize the password and do not write it down. You are responsible for keeping your password confidential.

Passwords can be changed in Online Banking or call First Resource Bank at 800-840-2144 to have your password reset.

Lost or Stolen Passwords

If you believe that your password may have been lost or stolen, or that someone has viewed, downloaded, or deleted electronic records or transferred money from your Account without your permission, or if you suspect any fraudulent activity on your Account, you agree to immediately notify Deposit Operations at 800-840-2144 from 8:30 a.m. to 5:30 p.m. Monday through Friday. Calling us is the best way of minimizing your potential losses; however, you may write to us at the address provided under the Contact Information section of this Agreement.

If you believe your Password has been lost or stolen and you notify us within two Business Days after you learn of the loss or theft, you can lose no more than \$50.00 if someone uses your Password to conduct unauthorized electronic funds transfers without your permission. If you do NOT notify us within two (2) Business Days after you learn of the loss or theft of your Password, and we can prove we could have stopped someone from using your Password to conduct unauthorized electronic funds transfers without your permission if you had told us, you could lose as much as \$500.00. The limitations on your liability described in this paragraph do not apply to business accounts.

Electronic Fund Transfer Provisions

Some of the transactions permitted through Online Banking may be governed by the Electronic Funds Transfer Act (the "EFTA"), and some of the terms and conditions of this Agreement are disclosures required by the EFTA. Business account holders are not covered by the EFTA and therefore certain provisions will not be applied to business accounts.

Your Responsibility:

You are responsible for all transfers and bill payments you authorized using Online Banking. If you permit other persons to use Online Banking or security codes, you are responsible for any transactions those persons authorize from deposit and credit accounts.

You should notify the bank immediately if you believe any of your accounts have been accessed or your password has been used without your permission. Contacting the bank immediately will help you reduce your potential losses.

You can lose no more than \$50 if you notify the bank within two (2) business days of discovering any unauthorized use of Online Banking or your password. However, you can lose as much as \$500 if you do not notify the bank within two (2) business days of discovering the unauthorized use and the bank can prove that it could have prevented the unauthorized use had it been notified. The limitations on your liability described in this paragraph do not apply to business accounts.

If you do not report unauthorized transactions that appear on any of your periodic statements within sixty (60) days after such statements are mailed to you, you risk unlimited losses on transactions made after the sixty (60)-day period if the bank can show that it could have prevented the unauthorized use had it been notified within this sixty (60)-day period.

Security Information (Our Procedures)

Our Online Banking utilizes a comprehensive security strategy to protect accounts and transactions conducted over the Internet. In addition to our login security which incorporates multi-factor authentication (i.e. Access ID's, passwords, plus pictures, questions, or digital security keys), we use secure socket layer ("SSL") encryption technology for everything done in Online Banking.

Your browser automatically activates this technology when it attempts to connect to our Online Banking and it will support the 128-bit key lengths. Whenever SSL is securing your communications, the browser will typically indicate the "secure session" by changing the appearance of a small padlock icon located in the address bar at the top of the screen from open to locked. Your communications are encrypted from your browser to our servers at all times, so no unauthorized party can read the information as it is carried over the Internet. Additionally, our servers have been certified by a "Certificate Authority" to assure you that you are actually talking to our servers instead of someone pretending to be us.

Data transferred through the Online Banking is encrypted in an effort to provide transmission security. Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other.

You agree that these procedures are a commercially reasonable method of providing security against unauthorized payment orders or other transactions and that these procedures are not for detection of errors. We reserve the right to change any process from time to time to implement new measures that are recommended in the industry to respond to new or increased threats.

Security Information (Your Obligations)

You understand the importance of your role in preventing misuse of your accounts through Online Banking, and you:

- Agree to promptly examine any statement you receive or that we make available to you for each of your accounts in a timely manner;
- Agree to protect the confidentiality of your account, and expressly assume responsibility for any transaction conducted by an Authorized User or any Losses that result from the actions (or inactions) of you or an Authorized User;
- Understand that certain identification information by itself or together with information related to your account may allow unauthorized access to your accounts;
- Acknowledge that, notwithstanding our efforts to ensure that Online Banking is secure, the Internet is inherently unsecure and that transmission of electronic mail occurs openly on the Internet and can potentially be monitored and read by others;
- Understand and acknowledge that we cannot and do not warrant that email transmitted to and from us, will not be monitored or read by others;
- Understand and agree that we are not responsible for any electronic virus or viruses that you may encounter;
- Agree to routinely scan your computers and diskettes using a reliable virus detection product to detect and remove any viruses, but understand and acknowledge that there are certain viruses, malware, etc., which may not be detectable by commercially available software and agree that First Resource Bank shall have no liability for any such intrusions, except as otherwise set forth herein;
- Agree to install, maintain, update and utilize industry standard security products that are appropriate for you, including, without limitation, firewalls, anti-virus protection software, anti-spyware protection, operating services and applications with the latest patches, and a browser product that indicates the web site you are on; and
- Agree to comply with the password requirements set forth herein, as such password requirements may be changed from time to time, and to employ reasonable steps in selecting, maintaining, and protecting passwords and other codes and access devices related to Online Banking, the services and your accounts.

Electronic Mail (E-Mail)

If you send us an e-mail message through Online Banking, we will be deemed to have received it on the following Business Day.

E-mails will be answered within a reasonable timeframe.

You should not rely on e-mail if you need to communicate with First Resource Bank immediately (e.g., if you need to report an unauthorized transaction from one of your accounts, or if you need to stop a payment that is scheduled to occur).

You agree that First Resource Bank may respond to you by e-mail with regard to any matter related to Online Banking, including responding to any claim of unauthorized electronic funds transfer that you make. Any such e-mail sent to you by First Resource Bank shall be considered received within three (3) days of the date sent by First Resource Bank, regardless of whether or not you sign on to Online Banking within that time frame.

Money Market Savings Account—You can make no more than six (6) transfers per statement period by pre-authorized or automatic transfer or by Online Banking.

New services may be introduced for Online Banking from time to time. First Resource Bank will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules that will be made available to you concerning these services.

Stop Payment Orders

You may place stop payment orders on checks using Online Banking. When placing a stop payment order, you agree to indemnify us and hold us harmless for all losses incurred by us due to our refusal to pay the check. You acknowledge that, under the law, there are some situations where a check can be enforced against you even though you ordered us to stop payment. In such instances, we will not be liable to you for refusing to enforce your stop payment order. We will not have a duty to stop payment until you have given us the number, the exact amount of the item and the name of the payee. In addition, we must have had a reasonable opportunity to act on your stop payment order prior to the earlier of our payment of it or one hour after the opening of the next business day after the business day we received it. The information we require you to submit in connection with your stop payment order must be exactly correct to enable our computer Online Banking to match the payment to be stopped to your stop payment order.

A stop payment order on a check is effective for six months unless you renew the notice in writing within that time, in which case the stop payment order will be effective for an additional six month period. At our option, we may continue stop payment orders beyond these time periods unless cancelled by you. Stop payment orders received after regular banking hours or on a holiday shall be deemed received at the opening of business on the next business day.

If we pay an item despite your timely stop payment order, the following rules will apply: (a) you will have to prove to us that you have suffered a loss and, if so, the amount of the loss; (b) we will be able to enforce any rights that the original payee or any other person who held the check had against you; (c) we will not re-credit your account until you prove your loss and we are satisfied that we are required by law to do so; and (d) if we re-credit your account, you agree to sign a statement describing the dispute with the payee or other holder of the check, to transfer to us all of your rights against the payee or other holder of the check, and to assist us in legal action taken against that person. Stop payment order will be released only upon written request from the account owner who authorized the stop payment order to be placed.

If you submit a stop payment request to us, we will charge your account the fee for such service specified on our current service fee schedule, as amended from time to time.

Overdrafts

When you schedule an electronic funds transfer using Online Banking, you authorize us to withdraw the necessary funds from your account with us. We deduct the amount of your funds transfer from your account on the date we process your instruction. Each instruction to us to withdraw or transfer funds from your account is an order to us to make the payment from that account at that time or on a later date, if any, indicated in the instruction. We may charge payments you instruct us to make to your account even though the charge creates an overdraft, or we may refuse to make the payments if the charge creates an overdraft. If you overdraw your account, you agree to immediately pay us the overdrawn amount, together with any applicable fees. If the account is maintained in connection with an overdraft credit plan, any overdraft will be made in accordance with the agreement or rules governing that account rather than this Agreement.

Account Alerts

Online banking alerts allow you to set up automated alert events based on your own criteria. Alerts may be sent via e-mail, text message or online message box within Online Banking, or all three options. Alerts will be sent to the e-mail address or phone number you provide in creating the alert. Data rates may apply to alerts sent via text message.

First Resource Bank may add or remove types of alerts from time to time.

If you change your e-mail address you are responsible for changing this in the alerts you have already set up.

You agree that alerts may be delayed or prevented for a variety of reasons.

We do not guarantee the delivery or validity of the contents of any alert.

You agree that we shall not be liable for any delays, delivery failure or misdirected delivery of any alert.

You agree that we shall not be liable for any actions taken or not taken by you or anyone else in reliance of an alert.

The bank will never include your password or full account number in an e-mail alert; however you understand that alerts may include your name and some information about your accounts.

Address Changes

It is your sole responsibility to ensure that the contact information in your user profile is current and accurate. This includes, but is not limited to, name, address, phone numbers and email addresses. You may notify us by:

- Online banking change of address request through the secure email service.
- In person – You will sign documentation stating your new information.
- By mail – If you mail in a request, it must be signed and notarized. If there is any question about signature authentication, you will be notified and asked to stop in person at one of our locations.
- If we receive an address change notice from the U.S. Postal Service. It is at our discretion to us this address.

Statements

Your Online Banking account activity will appear on the account statements we make available to you. We will make available to you an account statement each month in which an electronic fund transfer is made to or from your account. If there are no transfers in a particular month, you will receive your account statement at least quarterly.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact First Resource Bank no later than 60 days after it sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or the transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days, (twenty (20) business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (3) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may request copies of the documents that were used in the investigation.

You agree that First Resource Bank may respond to you by e-mail with regard to any claim of unauthorized electronic fund transfer related to Online Banking. Any such e-mail sent to you by First Resource Bank The Bank shall be considered received within three (3) Business Days of the date sent by First Resource Bank, regardless of whether or not you sign on to Online Banking within that time frame.

In addition, and in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including without limitation, financial information and transaction history regarding your Eligible Transaction Account. You further understand and agree that we reserve the right to use personal information about you for our and our Service Providers' everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Service and the content and layout of the Site. Additionally, we and our Service Providers may use your information for risk management purposes and may use, store and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims or other liability. We and our Service Providers shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, or audit reasons, and as permitted by applicable law for everyday business purposes. In addition we and our Service Providers may use, store and disclose such information acquired in connection with the Service in statistical form for pattern recognition, modeling, enhancement and improvement, system analysis and to analyze the performance of the Service.

- b. If you think your periodic statement for your account is incorrect or you need more information about a transaction listed

in the periodic statement for your account, we must hear from you no later than sixty (60) days after we send you the applicable periodic statement for your account that identifies the error. You must:

1. Tell us your name;
2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,
3. Tell us the dollar amount of the suspected error.
- c. If you tell us orally, we may require that you send your complaint in writing within ten (10) Business Days after your oral notification. Except as described below, we will determine whether an error occurred within ten (10) Business Days after you notify us of the error. We will tell you the results of our investigation within three (3) Business Days after we complete our investigation of the error, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your Eligible Transaction Account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your Eligible Transaction Account. If it is determined there was no error we will mail you a written explanation within three (3) Business Days after completion of our investigation. Consequently, we cannot be held responsible for the accuracy, relevancy, copyright compliance, legality or decency of material contained in sites listed in any search results or otherwise linked to the Site. For example, if you "click" on a banner advertisement or a search result, your "click" may take you off the Site. This may include links from advertisers, sponsors, and content partners that may use our logo(s) as part of a co-branding agreement. See also Section 16 of the General Terms above regarding how the timeliness of your notice impacts your liability for unauthorized transfers.

- 26. Remedies.** If we have reason to believe that you have engaged in any of the prohibited or unauthorized activities described in this Agreement or have otherwise breached your obligations under this Agreement, we may terminate, suspend or limit your access to or use of the Site or the Service; notify law enforcement, regulatory authorities, impacted third parties, and others as we deem appropriate; refuse to provide our services to you in the future; and/or take legal action against you. In addition, we, in our sole discretion, reserve the right to terminate this Agreement, access to the Site and/or use of the Service for any reason or no reason and at any time. The remedies contained in this Section 26 of the General Terms are cumulative and are in addition to the other rights and remedies available to us under this Agreement, by law or otherwise.
- 27. Disputes.** In the event of a dispute regarding the Service, you and we agree to resolve the dispute by looking to this Agreement.
- 28. Arbitration.** For any claim (excluding claims for injunctive or other equitable relief) where the total amount of the award sought is less than \$10,000.00 USD, the party requesting relief may elect to resolve the dispute in a cost effective manner through binding non-appearance-based arbitration. The parties agree that the following rules shall apply: (a) the arbitration may be conducted telephonically, online and/or be solely based on written submissions, at the election of the party initiating the arbitration; (b) the arbitration shall not involve any personal appearance by the parties, their representatives or witnesses unless otherwise mutually agreed by the parties; (c) discovery shall not be permitted; (d) the matter shall be submitted for decision within ninety (90) days of initiation of arbitration, unless otherwise agreed by the parties, and the arbitrator must render a decision within thirty (30) days of submission; and (e) any award in such arbitration shall be final and binding upon the parties and may be submitted to any court of competent jurisdiction for confirmation. The parties acknowledge that remedies available under federal, state and local laws remain available through arbitration. **NO CLASS ACTION, OTHER REPRESENTATIVE ACTION, OR PRIVATE ATTORNEY GENERAL ACTION, OR JOINDER OR CONSOLIDATION OF ANY CLAIM WITH A CLAIM OF ANOTHER PERSON SHALL BE ALLOWABLE IN ARBITRATION.**
- 29. Law and Forum for Disputes.** Unless our account agreement with you states otherwise, this Agreement shall be governed by and construed in accordance with the laws of the State in which you reside, without regard to its conflicts of laws provisions. To the extent that the terms of this Agreement conflict with applicable state or federal law, such state or federal law shall replace such conflicting terms only to the extent required by law. Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect. Unless our account agreement with you states otherwise, you agree that any claim or dispute you may have against us (other than those which are arbitrated under Section 28 of the General Terms above) must be resolved by a court located in the county in which you reside. You agree to submit to the personal jurisdiction of such courts for the purpose of litigating all claims or disputes unless said claim is submitted to arbitration under Section 28 of the General Terms of this Agreement. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Both parties agree to waive any right to have a jury participate in the resolution of any dispute or claim between the parties or any of their respective Affiliates arising under this Agreement.
- 30. Indemnification.** You agree to defend, indemnify and hold harmless us and our Affiliates and Service Providers and their Affiliates and the employees and contractors of each of these, from any loss, damage, claim or demand (including attorney's fees) made or incurred by any third party due to or arising out of your breach of this Agreement and/or your use of the Site or the applicable Service.
- 31. Release.** You release us and our Affiliates and Service Providers and the employees and contractors of each of these, from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way

connected with any dispute that may arise between you or one or more other users of the Site or the applicable Service. In addition, if applicable to you, you waive California Civil Code §1542, which states that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor.

- 32. No Waiver.** We shall not be deemed to have waived any rights or remedies hereunder unless such waiver is in writing and signed by one of our authorized representatives. No delay or omission on our part in exercising any rights or remedies shall operate as a waiver of such rights or remedies or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any rights or remedies on future occasions.

- a. The term "Transfer Money Terms" means these Account to Account Transfers Additional Terms. The Account to Account transfer service (for purposes of these Transfer Money Terms, and the General Terms as they apply to these Transfer Money Terms, the "Service") enables you to transfer funds between your Account(s) that you maintain with us on the one hand, and your Account(s) that are maintained by other financial institutions, on the other hand. You represent and warrant that you are either the sole owner or a joint owner of the Eligible Transaction Account and the External Account and that you have all necessary legal right, power and authority to transfer funds between the Eligible Transaction Account and the External Account. If you are a joint owner of the Eligible Transaction Account, External Account, or both, then you represent and warrant that (i) you have been authorized by all of the other joint owners to operate such Accounts without their consent (including without limitation to withdraw or deposit any amount of funds to such Accounts or to even withdraw all funds from such Accounts); and (ii) we may act on your instructions regarding such Accounts without liability to such other joint owners. Further, you represent and warrant that the External Account is located in the United States.
- b. When we receive a Transfer Instruction from you, you authorize us to (i) debit your Eligible Transaction Account and remit funds on your behalf to the External Account designated by you and to debit your applicable Account as described below in Section 5 of the Transfer Money Terms (Service Fees and Additional Charges); or, as applicable, to (ii) credit your Eligible Transaction Account and remit funds on your behalf from the External Account designated by you and to debit your applicable Account as described below in Section 5 of the Transfer Money Terms (Service Fees and Additional Charges). You also authorize us to reverse a transfer from the applicable Account if the debit is returned from the other Account in the transaction for any reason, including but not limited to nonsufficient funds.
- c. We will use reasonable efforts to make all your transfers properly. However, we shall incur no liability if we are unable to complete any transfers initiated by you because of the existence of any one or more of the following circumstances:
 1. If, through no fault of ours, the Eligible Transaction Account or External Account does not contain sufficient funds to complete the transfer or the transfer would exceed the credit limit of your overdraft account;
 2. The Service is not working properly and you know or have been advised by us about malfunction before you execute the transaction;
 3. The transfer is refused as described in Section 6 of the Transfer Money Terms below;
 4. You have not provided us with the correct information, including but not limited to the correct Eligible Transaction Account or External Account information; and/or,
 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution(s), or interference from an outside force) prevent the proper execution of the transfer and we have taken reasonable precautions to avoid those circumstances.

- d. It is your responsibility to ensure the accuracy of any information that you enter into the Service, and for informing us as soon as possible if you become aware that this information is inaccurate. You may not use a P.O. Box as a postal address. We will make a reasonable effort to stop or recover a transfer made to the wrong Account once informed, but we do not guarantee such recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by you.
2. **Transfer Methods and Amounts.** Section 15 of the General Terms (Payment Methods and Amounts) applies to the Service, even in circumstances where the External Account is closed and we are attempting to return funds to such Account.
 3. **Transfer Cancellation Requests and Refused Transfers.** You may cancel a transfer at any time until it begins processing (as shown in the Service). We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied transfer to your Account that we debited for the funds transfer. If this is unsuccessful (for example, the Eligible Transaction Account has been closed) we will make reasonable attempts to otherwise return the funds to you.
 4. **Stop Payment Requests.** If you desire to stop any transfer that has already been processed, you must contact customer care for the Service pursuant to Section 22 of the General Terms. Although we will make a reasonable effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within fourteen (14) days. The charge for each request will be the current charge for such service as set out in the applicable fee schedule.
 5. **Service Fees and Additional Charges.** You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use- based. Use- based fees for the Service will be charged against the Account that is debited for the funds transfer. There may also be charges for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from the applicable Eligible Transaction Account you hold with us or the Account that is debited for the funds transfer, depending on how such charges are described in the user interface for the Service. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed Or Returned Payment Instructions) applies if you do not pay our fees and charges for the Service, including without limitation if we debit the External Account for such fees, as described in this Section, and there are insufficient fees in the External Account; Section 18 of the General Terms should be interpreted as applying to the External Account, not just the Eligible Transaction Account, in such circumstances.
 6. **Refused Transfers.** We reserve the right to refuse any transfer. As required by applicable law, we will notify you promptly if we decide to refuse to transfer funds.
 7. **Returned Transfers.** In using the Service, you understand transfers may be returned for various reasons such as, but not limited to, the External Account number is not valid. POPMONEY® PAYMENTS SERVICE ADDITIONAL TERMS

1. Description of Service.

- a. The term "Popmoney Terms" means these Popmoney Payments Service Additional Terms. "Popmoney" is a trademark of Cash Edge Inc. or its Affiliates. The Popmoney Service (for purposes of these Popmoney Terms, and the General Terms as it applies to these Popmoney Terms, the "Service") enables you: (1) to initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment from another person into an Eligible Transaction Account, in U.S. dollars. Although the ACH Network is often used to execute Popmoney Service Payment Instructions for the Popmoney Service, other Payment Networks may be used to facilitate the execution and transmission of Payment Instructions. All payments must be made through the Site and are subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. Receipt of payments may be made through the Site and is subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. In some instances, receipt of payments may be made through www.Popmoney.com (the "PopmoneyWebsite") and if you choose to initiate or receive a payment at the PopmoneyWebsite you acknowledge and agree that you shall be subject to the terms of other agreements, including, but not limited to, the "terms of use" for the Popmoney Website and applicable laws and regulations, in each case as in effect from time to time.
- b. The Instant Payments feature within the Popmoney Service ("Popmoney Instant Payments") uses Payment Networks designed to transfer funds on the same day or sooner, if practicable, to debit or credit funds to the Eligible Transaction Account of the Receiver, as applicable. Popmoney Instant Payments is only available for Payment Instructions submitted by a Sender to a Receiver (and not via a Popmoney Request). Not all Payment Networks participate in Popmoney Instant Payments. Popmoney Instant Payments are not instantaneous. Payment delivery speed may vary based upon the funds availability policy of each financial institution and Payment Network availability.

2. Payment Authorization and Payment Remittance.

- a. By providing us with names and telephone numbers, email addresses, and/or bank account information of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Service. Once registered, you authorize us to credit your Eligible Transaction Account for payments remitted to you on behalf of a Sender without further approval from you.
- b. When we receive a Payment Instruction from you, you authorize us to debit your Eligible Transaction Account for the amount of any such Payment Instruction plus any related fees in effect (and as disclosed on the Site) at the time you initiate the Payment Instruction, and to remit funds on your behalf. You acknowledge and agree that any applicable fees will be charged when we receive a Payment Instruction from you, regardless of whether the Payment Instruction is ultimately completed. You also authorize us to credit your Eligible Transaction Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to you because the processing of the Payment Instruction could not be completed.
- c. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors, described above in Section 22 of the General Terms (Errors, Questions, and Complaints).
- d. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.
- e. We will use reasonable efforts to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;
 2. The Service is not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
 3. The payment is refused as described in Section 5 of the Popmoney Terms below;
 4. You have not provided us with the correct information, including but not limited to the correct Payment Instructions or Eligible Transaction Account information, or the correct name and address or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,
 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.
- f. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Service (including but not limited to the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.
- g. Popmoney Instant Payments: We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks. Notwithstanding anything to the contrary in the Agreement, Popmoney Instant Payments settlements are final except as set forth in the applicable Payment Network rules and recovery may not be possible; however, if applicable Payment Network rules allow for reversal of funds, we will attempt to recover such funds from the Receiver's Eligible Transaction Account. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Popmoney Instant Payments. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications. We will choose the Payment Networks in which we will participate in our sole discretion.
- 3. Initiation of Payment Instructions.** You may initiate (a) a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately, (b) a one-time Payment Instruction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (c) a recurring series of Payment Instructions to a Receiver for which processing shall be initiated on the specified dates. Options (b) and (c) above are not available for Popmoney Instant Payments. Further details about each of these options can be found on the Site.

Payment Instructions initiated to Receivers are processed in two ways. You can provide all the required information about the Receiver, including his/her Eligible Transaction Account, necessary to complete a transfer of funds. Alternatively, you can provide contact information about the Receiver (including an email address and/or mobile telephone number) and the Popmoney Service may contact the Receiver and request that the Receiver (i) provide information so that we may validate the identity of the Receiver at the PopmoneyWebsite and then (ii) provide Eligible Transaction Account information in order to complete the Payment Instruction (a "Two-Step Transfer"). If the Receiver maintains an Eligible Transaction Account with an institution that participates in or offers the Popmoney Service, the Receiver may access the Popmoney Service at his or her financial institution's website or mobile application to complete the Payment Instruction and receive the payment.

For Popmoney Instant Payments, you can initiate a Payment Instruction using (i) the Receiver's email address or mobile number, and the Popmoney Service will validate the Popmoney Instant Payments eligibility of the Receiver prior to transferring the funds; or (ii) the Receiver's debit card information, and the funds will be immediately deposited into the Receiver's checking or savings account affiliated with the debit card. Not all Payment Networks participate in Popmoney Instant Payments. Payment delivery speed may vary based upon the funds availability policy of each financial institution and Payment Network availability.

You understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account using the Popmoney Service, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, other than with respect to Popmoney Instant Payments, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day after you initiated the Payment Instruction. If you request a one-time Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s).

However, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not provided the Popmoney Service with certain required information such as his or her Eligible Transaction Account information. The Site may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.

You acknowledge and agree that we will begin to process the requested transfer of funds once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or ten (10) Business Days. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with this Agreement. Any cancellation of a Payment Instruction prior to the Receiver providing us with such information shall be subject to the provisions of Section 5 of the Popmoney Terms, below.

- 4. Receiving Payments.** If another person wants to initiate a Payment Instruction (including in response to a Popmoney Request, if applicable) using the Popmoney Service to an Eligible Transaction Account you hold or, as applicable, if you as a Requestor want to initiate a Popmoney Request, he, she or you can do that from the Site or from an Eligible Transaction Account at a financial institution that participates in the Popmoney Service or at the PopmoneyWebsite.

You understand and agree that there may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of the payment of funds into your Eligible Transaction Account. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and us (including through the Site) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may also receive Popmoney Requests from others through the Service.

You acknowledge and agree that in the event that funds are transferred into your Eligible Transaction Account as a result of a Payment Instruction and it is determined that such transfer was improper because it was not authorized by the sender, because there were not sufficient funds in the sender's account, or for any other reason, then you hereby authorize us or our Service Provider to withdraw from your Eligible Transaction Account an amount equal to the amount of funds improperly transferred to you.

If applicable, if you as a Requestor initiate a Popmoney Request using the Service you acknowledge and agree that as disclosed on the Site (a) the applicable service fee will be deducted from payments received by you from a Sender(s), and (b) no service fee will be charged if you as the Requestor do not receive any payments from the individuals to whom the Popmoney Request is sent. Further details about the foregoing can be found on the Site. You acknowledge and agree that individuals to whom you send a Popmoney Request may not receive, or otherwise may reject or ignore, your Popmoney Request. We do not guarantee that you will receive any payments from individuals by initiating a Popmoney Request.

- 5. Payment Cancellation, Stop Payment Requests and Refused Payments.** Sender may cancel the initiation of a Payment Instruction or stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Transaction Account has begun. Popmoney Instant Payments Payment Instructions may not be cancelled as the Payment Instructions will be processed immediately. Our ability to stop a Payment Instruction or recover funds associated with an unauthorized Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized Payment Instruction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting customer care. If we charge you to stop the payment or recover funds, then the charge for each stop payment or fund recovery request will be the current charge as set out in our current fee schedule. Payments not claimed by a Receiver will be automatically cancelled ten (10) days after the processing of the payment begins. When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver's decision to accept or not to accept a Payment Instruction initiated or attempted through the Service. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.

- 6. Mobile Phone Users.** Your phone service provider is not the provider of the Service. Users of the Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised. If you have questions about mobile service, you may send a text message with the word "HELP" to this number: 767666. To stop receiving text messages on your mobile phone, text "STOP" to this number: 767666.
- 7. Service Fees and Additional Charges.** You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. YOU FURTHER ACKNOWLEDGE AND AGREE THAT ANY APPLICABLE FEES WILL BE CHARGED REGARDLESS OF WHETHER THE PAYMENT INSTRUCTION IS COMPLETED, UNLESS THE FAILURE TO COMPLETE THE INSTRUCTION IS SOLELY DUE TO OUR FAULT, except for those fees that are specifically use-based, such as Popmoney Request, if applicable. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Eligible Transaction Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts (or Other Eligible Transaction Accounts) will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed Or Returned Payment Instructions) applies if you do not pay our fees and charges for the Service, including without limitation if we debit the Eligible Transaction Account for such fees, as described in this Section, and there are insufficient fees in the Eligible Transaction Account.
- 8. Refused Payments.** We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender.
- 9. Returned Payments.** In using the Service, you understand that Receivers may reject Payment Instructions or otherwise return payments. We will use reasonable efforts to complete Payment Instructions initiated through the Service.

BILL PAYMENT SERVICE ADDITIONAL TERMS

- 1. Description of Service.** The term "Bill Payment Terms" means these Bill Payment Service Additional Terms. The bill payment service (for purposes of these Bill Payment Terms, and the General Terms as they apply to these Bill Payment Terms, the "Service") enables you to receive, view, and pay bills from the Site.
- 2. Payment Scheduling.** The earliest possible Scheduled Payment Date for each Biller will be designated within the portion of the Site through which the Service is offered when you are scheduling the payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period. Depending on the method of payment, your Eligible Transaction Account may be debited prior to the Scheduled Payment Date. For example, if the selected method of payment is a draft, the draft arrives earlier

than the Scheduled Payment Date due to expedited delivery by the postal service, and the Biller immediately deposits the draft, your Eligible Transaction Account may be debited earlier than the Scheduled Payment Date.

3. **The Service Guarantee.** Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the Section 2 of the Bill Payment Terms (Payment Scheduling).
4. **Payment Authorization and Payment Remittance.** By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the Site. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Eligible Transaction Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Eligible Transaction Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will attempt to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee (as described in Section 3 of the Bill Payment Terms) shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Eligible Transaction Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Eligible Transaction Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Eligible Transaction Account or causes funds from your Eligible Transaction Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Eligible Transaction Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

5. **Payment Cancellation Requests.** You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the portion of the Site through which the Service is offered. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.
6. **Stop Payment Requests.** The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact customer care for the Service in the manner set forth in Section 22 of the General Terms above. Although the Service will attempt to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.
7. **Exception Payments Requests.** Exception Payments may be scheduled through the Service, however Exception Payments are discouraged and must be scheduled at your own risk. Except as required by applicable law, in no event shall the Service be liable for any claims or damages resulting from your scheduling of Exception Payments. The Service Guarantee (as described in Section 3 of the Bill Payment Terms) does not apply to Exception Payments.

8. Bill Delivery and Presentment. The Service includes a feature that electronically presents you with electronic bills from select Billers. Electronic bills may not be available from all of your Billers. Electronic bills are provided as a convenience only, and you remain solely responsible for contacting your Billers directly if you do not receive their statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

1. Presentation of electronic bills – You will receive electronic bills from a Biller only if both: (a) you have designated it in the Service as one of your Billers, and (b) the Biller has arranged with our Service Provider to deliver electronic bills. The Service may then present you with electronic bills from that Biller if either: (1) you affirmatively elect online within the Service to receive electronic bills from the Biller, or (2) the Biller chooses to send you electronic bills on a temporary “trial basis.” In either case, you can elect online within the Service to stop receiving electronic bills from a Biller. Electing to receive electronic bills, automatically receiving trial electronic bills, and declining further elected or trial electronic bills all occur on an individual Biller basis. The Service does not include an option to prevent ever participating in the automatic trial electronic bill feature. When affirmatively electing to receive electronic bills from a particular Biller, you may be presented with terms from that Biller for your acceptance. We are not a party to such terms.
2. Paper Copies of electronic bills – If you start receiving electronic bills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of electronic bills on a regular or as-requested basis.
3. Sharing Information with Billers – You authorize us to share identifying personal information about you (such as name, address, telephone number, Biller account number) with companies that you have identified as your Billers and which we have identified as offering electronic bills for purposes of matching your identity on the Service's records and the Biller's records to (a) activate your affirmative request for electronic bills, and/or (b) confirm your eligibility for “trial basis” electronic bills.
4. Information held by the Biller. We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses, that is held by the Biller. Any changes will require you to contact the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. We may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller for purposes of the Biller matching your identity against its records or informing you about the Biller's services and/or bill information.
5. Activation. We will notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
6. Authorization to obtain bill data. You authorize us to obtain bill data from your Billers that you have requested to send you electronic bills, and from your Billers that wish to send you trial electronic bills. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
7. Notification. We will attempt to present all of your electronic bills promptly. In addition to notification within the Service, we may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
8. Cancellation of electronic bill notification. The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
9. Non-Delivery of electronic bill(s). You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

10. Accuracy and dispute of electronic bill. We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be directly addressed and resolved with the Biller by you. 10. Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use-based. Use-based fees for the Service will be charged against the Billing Account. There may also be charges for additional transactions and other optional services.
