

FIRST RESOURCE BANK

Your health and safety is important to us.

Though we are an essential business and have remained open during the pandemic, like many businesses, we temporarily closed our lobbies in an effort to keep everyone healthy and safe.

As we reopen our branches to the public once again, we have taken several steps to ensure the continued health and safety of our customers, visitors and employees.

These steps include:

- Hand Sanitizer Stations at Each Branch
- Table Top Plexiglass Barriers at teller lines and personal banker desks
- Additional and Frequent Sanitization of High Touch Surfaces such as door handles, teller counters, waiting areas, desks, equipment, etc.
- Floor Decals and Posters on Entrances reminding customers and guests of social distancing practices
- Face Masks: Customers and Visitors may choose whether or not to wear a mask.
 - Please understand that if you are wearing a mask and we need to confirm your identity, we may ask you to verify this by showing a Driver's License or other government issued ID.
 - **Minneapolis Customers must wear a mask per the Minneapolis Executive Order.**
- Our employees have been issued masks and gloves to use at their discretion

We encourage you to continue utilizing our drive-ups, ATM's, night drops, Online Banking, Bill Pay and our Retail Banking Mobile App.

If you have any questions, concerns or would like to make an appointment, please contact your local branch at the phone numbers listed below.

We look forward to serving you!
