Hours of Operation

Online Banking is generally available 24 hours a day, 7 days a week, except during special maintenance and upgrade periods. All transaction requests initiated through the Online Banking and received after 5:00 p.m. (Central Standard Time) Monday through Friday will be processed the next business day.

ACCESS/SECURITY

To use Online Banking, you will need your own computer and related equipment and a compliant web browser that supports at least 128-bit encryption. You are responsible for the installation, maintenance, and operation of your computer. The bank is not responsible for any errors or failures from any malfunction of your computer and the bank is not responsible for any computer virus or related problems that may be associated with the use of your computer.

Online Banking is a service provided solely for use by our clients. During enrollment you will need to create an Access ID and password to gain access to your accounts using Online Banking. You should protect your password at all times and change it on a regular basis. You agree to keep the password safe and to not record, disclose or make the password available to anyone. Anyone who has access to your password will have full access to your accounts and the services you can perform using Online Banking. You have no ability to limit any such person's authority. If anyone uses your password with your permission (an "Authorized User"), you will be responsible for any transactions performed by that person.

The safety of our customers' accounts and account information is of paramount importance to First Resource Bank. We go through great lengths to protect confidentiality and the security of your account, and urge you to do the same. You understand that personal identification information by itself, or together with information related to your account, may allow unauthorized entry and access to your account. Your password is intended to provide security against unauthorized entry and access to your accounts. Data transferred via Online Banking is encrypted in an effort to provide transmission security and Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other. Notwithstanding the bank's efforts to ensure that Online Banking is secure, you acknowledge that the Internet is inherently unsecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. The bank cannot and does not warrant that all data transfers utilizing Online Banking or e-mail transmitted to and from the bank will not be monitored or read by others. While First Resource Bank continues to provide our customers with the level of online security we believe necessary and appropriate, customers who share their Access IDs and Passwords are giving up the full benefit of our security measures and legal protections to which they may be entitled. No First Resource Bank representative will ever call and ask for your Access ID or Password. The bank may, in its sole discretion, deny Online Banking account access or restrict Online Banking account transactions.

You will use an Access ID and password to access your accounts through Online Banking. We may also require additional security procedures to initiate certain transactions; these security procedures may require special hardware, software or a third-party service. You may also be required to use or activate specific Internet browser software features, plug-ins and add-ons, such as JavaScript support and "cookies", in order to utilize Online Banking.

Access ID's

Requirements for creating your Access ID:

- must be a minimum of 8 - 17 characters
- can be any combination of letters or numbers
- no special characters or spaces
- Access ID's are case sensitive

Password

You determine what password you will use; the identity of your password is not communicated to us. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. For your security minimum password requirements have been established.

All passwords must be at least 9-17 characters in length with a minimum of:

- 1 Upper Case
- 1 Lower Case
- 1 numeric
- 1 special character

You will be automatically prompted to change your password every 90 days.

For security purposes, it is recommended that you memorize the password and do not write it down. You are responsible for keeping your password confidential. Passwords can be changed in Online Banking or call First Resource Bank at 800-840-2144 to request a password reset.

Lost or Stolen Passwords

If you believe that your password may have been lost or stolen, or that someone has viewed, downloaded, or deleted electronic records or transferred money from your Account without your permission, or if you suspect any fraudulent activity on your Account, you agree to immediately notify Deposit Operations at 800-840-2144 from 8:30 a.m. to 5:30 p.m. Monday through Friday. Calling us is the best way of minimizing your potential losses; however, you may write to us at the address provided under the Contact Information section of this Agreement.

If you believe your Password has been lost or stolen and you notify us within two Business Days after you learn of the loss or theft, you can lose no more than \$50.00 if someone uses your Password to conduct unauthorized electronic funds transfers without your permission. If you do NOT notify us within two (2) Business Days after you learn of the loss or theft of your Password, and we can prove we could have stopped someone from using your Password to conduct unauthorized electronic funds transfers without your permission if you had told us, you could lose as much as \$500.00. The limitations on your liability described in this paragraph do not apply to business accounts.

Electronic Fund Transfer Provisions

Some of the transactions permitted through Online Banking may be governed by the Electronic Funds Transfer Act (the "EFTA"), and some of the terms and conditions of this Agreement are disclosures required by the EFTA. Business account holders are not covered by the EFTA and therefore certain provisions will not be applied to business accounts.

Your Responsibility:

You are responsible for all transfers and bill payments you authorized using Online Banking. If you permit other persons to use Online Banking or security codes, you are responsible for any transactions those persons authorize from deposit and credit accounts. You should notify the bank immediately if you believe any of your accounts have been accessed or your password has been used without your permission. Contacting the bank immediately will help you reduce your potential losses.

You can lose no more than \$50 if you notify the bank within two (2) business days of discovering any unauthorized use of Online Banking or your password. However, you can lose as much as \$500 if you do not notify the bank within two (2) business days of discovering the unauthorized use and the bank can prove that it could have prevented the unauthorized use had it been notified. The limitations on your liability described in this paragraph do not apply to business accounts.

If you do not report unauthorized transactions that appear on any of your periodic statements within sixty (60) days after such statements are mailed to you, you risk unlimited losses on transactions made after the sixty (60)-day period if the bank can show that it could have prevented the unauthorized use had it been notified within this sixty (60)-day period.

Security Information (Our Procedures)

Our Online Banking utilizes a comprehensive security strategy to protect accounts and transactions conducted over the Internet. In addition to our login security which incorporates multi-factor authentication (i.e. Access ID's, passwords, plus pictures, questions, or digital security keys), we use secure socket layer ("SSL") encryption technology for everything done in Online Banking.

Your browser automatically activates this technology when it attempts to connect to our Online Banking and it will support the 128-bit key lengths. Whenever SSL is securing your communications, the browser will typically indicate the "secure session" by changing the appearance of a small padlock icon located in the address bar at the top of the screen from open to locked. Your communications are encrypted from your browser to our servers at all times, so no unauthorized party can read the information as it is carried over the Internet. Additionally, our servers have been certified by a "Certificate Authority" to assure you that you are actually talking to our servers instead of someone pretending to be us.

Data transferred through the Online Banking is encrypted in an effort to provide transmission security. Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by

each other. You agree that these procedures are a commercially reasonable method of providing security against unauthorized payment orders or other transactions and that these procedures are not for detection of errors. We reserve the right to change any process from time to time to implement new measures that are recommended in the industry to respond to new or increased threats.

Security Information (Your Obligations)

You understand the importance of your role in preventing misuse of your accounts through Online Banking, and you:

- Agree to promptly examine any statement you receive or that we make available to you for each of your accounts in a timely manner;
- Agree to protect the confidentiality of your account, and expressly assume responsibility for any transaction conducted by an Authorized User or any Losses that result from the actions (or inactions) of you or an Authorized User;
- Understand that certain identification information by itself or together with information related to your account may allow unauthorized access to your accounts;
- Acknowledge that, notwithstanding our efforts to ensure that Online Banking is secure, the Internet is inherently unsecure and that transmission of electronic mail occurs openly on the Internet and can potentially be monitored and read by others;
- Understand and acknowledge that we cannot and do not warrant that email transmitted to and from us, will not be monitored or read by others;
- Understand and agree that we are not responsible for any electronic virus or viruses that you may encounter;
- Agree to routinely scan your computers and diskettes using a reliable virus detection product to detect and remove any viruses, but understand and acknowledge that there are certain viruses, malware, etc., which may not be detectable by commercially available software and agree that First Resource Bank shall have no liability for any such intrusions, except as otherwise set forth herein;
- Agree to install, maintain, update and utilize industry standard security products that are appropriate for you, including, without limitation, firewalls, anti-virus protection software, anti-spyware protection, operating services and applications with the latest patches, and a browser product that indicates the web site you are on; and
- Agree to comply with the password requirements set forth herein, as such password requirements may be changed from time to time, and to employ reasonable steps in selecting, maintaining, and protecting passwords and other codes and access devices related to Online Banking, the services and your accounts.

Electronic Mail (E-Mail)

If you send us an e-mail message through Online Banking, we will be deemed to have received it on the following Business Day. E-mails will be answered within a reasonable timeframe. You should not rely on e-mail if you need to communicate with First Resource Bank immediately (e.g., if you need to report an unauthorized transaction from one of your accounts, or if you need to stop a payment that is scheduled to occur).

You agree that First Resource Bank may respond to you by e-mail with regard to any matter related to Online Banking, including responding to any claim of unauthorized electronic funds transfer that you make. Any such e-mail sent to you by First Resource Bank shall be considered received within three (3) days of the date sent by First Resource Bank, regardless of whether or not you sign on to Online Banking within that time frame.

ONLINE BANKING FEATURES

In addition to viewing account information, you may use Online Banking to conduct the following transactions:

- Place stop payment orders on checks
- Bill Pay option available through CheckFree
- View up-to-the-minute account information
- View images of paid items and deposits

- eStatements

New services may be introduced for Online Banking from time to time. First Resource Bank will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules that will be made available to you concerning these services.

Stop Payment Orders

You may place stop payment orders on checks using Online Banking. When placing a stop payment order, you agree to indemnify us and hold us harmless for all losses incurred by us due to our refusal to pay the check. You acknowledge that, under the law, there are some situations where a check can be enforced against you even though you ordered us to stop payment. In such instances, we will not be liable to you for refusing to enforce your stop payment order. We will not have a duty to stop payment until you have given us the number, the exact amount of the item and the name of the payee. In addition, we must have had a reasonable opportunity to act on your stop payment order prior to the earlier of our payment of it or one hour after the opening of the next business day after the business day we received it. The information we require you to submit in connection with your stop payment order must be exactly correct to enable our computer Online Banking to match the payment to be stopped to your stop payment order.

A stop payment order on a check is effective for six months unless you renew the notice in writing within that time, in which case the stop payment order will be effective for an additional six month period. At our option, we may continue stop payment orders beyond these time periods unless cancelled by you. Stop payment orders received after regular banking hours or on a holiday shall be deemed received at the opening of business on the next business day.

If we pay an item despite your timely stop payment order, the following rules will apply: (a) you will have to prove to us that you have suffered a loss and, if so, the amount of the loss; (b) we will be able to enforce any rights that the original payee or any other person who held the check had against you; (c) we will not re-credit your account until you prove your loss and we are satisfied that we are required by law to do so; and (d) if we re-credit your account, you agree to sign a statement describing the dispute with the payee or other holder of the check, to transfer to us all of your rights against the payee or other holder of the check, and to assist us in legal action taken against that person. Stop payment order will be released only upon written request from the account owner who authorized the stop payment order to be placed.

If you submit a stop payment request to us, we will charge your account the fee for such service specified on our current service fee schedule, as amended from time to time.

Overdrafts

When you schedule an electronic funds transfer using Online Banking, you authorize us to withdraw the necessary funds from your account with us. We deduct the amount of your funds transfer from your account on the date we process your instruction. Each instruction to us to withdraw or transfer funds from your account is an order to us to make the payment from that account at that time or on a later date, if any, indicated in the instruction. We may charge payments you instruct us to make to your account even though the charge creates an overdraft, or we may refuse to make the payments if the charge creates an overdraft. If you overdraw your account, you agree to immediately pay us the overdrawn amount, together with any applicable fees. If the account is maintained in connection with an overdraft credit plan, any overdraft will be made in accordance with the agreement or rules governing that account rather than this Agreement.

Notifi Alerts

Online banking alerts allow you to set up automated alert events based on your own criteria. Alerts may be sent via e-mail, text message or online message box within Online Banking, or all three options. Alerts will be sent to the e-mail address or phone number you provide in creating the alert. Data rates may apply to alerts sent via text message.

- First Resource Bank may add or remove types of alerts from time to time.
- If you change your e-mail address you are responsible for changing this in the alerts you have already set up. You agree that alerts may be delayed or prevented for a variety of reasons.
- We do not guarantee the delivery or validity of the contents of any alert.
- You agree that we shall not be liable for any delays, delivery failure or misdirected delivery of any alert.
- You agree that we shall not be liable for any actions taken or not taken by you or anyone else in reliance of an alert.

The bank will never include your password or full account number in an e-mail alert; however, you understand that alerts may include your name and some information about your accounts.

Address Changes

It is your sole responsibility to ensure that the contact information in your user profile is current and accurate. This includes, but is

not limited to, name, address, phone numbers and email addresses. You may notify us by:

- Online banking change of address request through the secure email service.
- In person – You will sign documentation stating your new information.
- By mail – If you mail in a request, it must be signed and notarized. If there is any question about signature authentication, you will be notified and asked to stop in person at one of our locations.
- If we receive an address change notice from the U.S. Postal Service. It is at our discretion to us this address.

Statements

Your Online Banking account activity will appear on the account statements we make available to you. We will make available to you an account statement each month in which an electronic fund transfer is made to or from your account. If there are no transfers in a particular month, you will receive your account statement at least quarterly.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact First Resource Bank no later than 60 days after it sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or the transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days, (twenty (20) business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (3) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may request copies of the documents that were used in the investigation.

You agree that First Resource Bank may respond to you by e-mail with regard to any claim of unauthorized electronic fund transfer related to Online Banking. Any such e-mail sent to you by First Resource Bank shall be considered received within three (3) Business Days of the date sent by First Resource Bank, regardless of whether or not you sign on to Online Banking within that time frame.

First Resource Bank, agrees to make reasonable efforts to ensure full performance of Online Banking. First Resource Bank will be responsible for acting only on those instructions sent through Online Banking which are actually received, and cannot assume responsibility for circumstances over which the bank has no direct control. This includes but not limited to, the failure or malfunctions in communication facilities, which may affect the accuracy or timeliness of messages you send. If any of the circumstances listed above shall occur, we shall assist you with reasonable efforts in taking appropriate corrective action to reprocess the transactions that may not have been completed or to correct incorrect transactions that have been processed.

By requesting and using the service, you agree to all of the terms, conditions, and notices reference or contained in this agreement and you accept full responsibility of the use of the service.

Definitions

As used in this document, the words “we,” “our,” “us” and “Bank” mean First Resource Bank. The words “you” and “your” mean each account owner(s) authorized signer(s). “Account(s),” “Eligible Accounts,” means your checking account, savings account, or Ready Reserve at First Resource Bank.

Enrollment

Agreeing to the disclosure enrolls the eligible accounts you have chosen from the accounts list. Personal account holders may enroll in eStatements at any time by accessing “Profile” - eStatements within the Online Banking Service.

Your consent to receive notices covers any notice or other type of communication provided to you pursuant to the terms of this agreement. Delivery of some disclosures in electronic form does not require the Bank to deliver all disclosures of a particular type electronically.

If your account is owned jointly with another person either one of you may consent to receive or cancel eStatements and electronic notices/disclosures. Such consent to access eStatements shall apply to all owners. A notification e-mail to one owner of a joint account is considered notice to all owners.

Business customers should contact their local branch to complete a request for eStatement delivery.

First Resource Bank’s Responsibilities

eStatement(s) are available for eligible checking, savings and Ready Reserve Loan accounts. Enrollment for eStatements will replace your paper statement(s) with an electronic version in a PDF format that you can view, print and/or save. Once you enroll, we will no longer mail your paper statement(s) or check images for the account(s) that you have agreed to receive electronically.

All legal notices, disclosures and other information that are normally mailed to you with your statement may be delivered to you electronically. First Resource Bank will send, to the email address you have provided, an email notification when your statement is available and can be viewed through First Resource Bank’s online Banking System. By requesting access to eStatements you hereby authorize First Resource Bank to grant access to all documents and account statements sent electronically to any user that has access to your account(s) using Online Banking.

Your Responsibilities

You agree to provide accurate, complete and current information about yourself. You agree not to misrepresent your identity. You agree to provide the bank with your current email address to ensure that we are able to provide you with important notices. You also agree to provide us with any change in your email address. It is your sole responsibility to ensure that your email information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to Online Banking and check on the delivery of your eStatement.

Accessing your eStatements

Customer will use the First Resource Bank Online Banking System to access eStatements. In order to use the Online Banking System, you will need a computer, access to the internet and your browser needs to be updated to a 128-bit encryption. To open your statement you will need Adobe Acrobat Reader. We reserve the right to revise hardware and software requirements at any time.

Canceling eStatements

You retain the right to withdraw your consent for electronic delivery of statements. You may withdraw your consent at any time by giving us at least ten (10) days prior notice. Contact us by phone at 800-840-2144 or by mail. Once you have withdrawn your consent, we will then discontinue the eStatement service for the account and paper statements and notices will be resumed. Any fees associated with receiving paper statements will be charged beginning with the first paper statement.

Review of eStatements

Your receipt of eStatements does not in any way alter your obligation to promptly review your statement. You must promptly access and review your eStatements and any accompanying items and notify us in writing immediately of any error, unauthorized transaction or other irregularity. If you allow someone else to access your statement, you are still fully responsible to review that statement for any errors, unauthorized transactions, or other irregularities. All provisions set forth in the applicable deposit account disclosure agreement(s), terms and conditions and loan agreements continue to apply.

Retention

Statements will be available for 18 months through the First Resource Bank Online Banking System. After this time, you can contact First Resource Bank and request a copy of your statement. The current disclosed fee will be assessed to your account. You may also save a copy of your statement to your computer or other media.

Your continued use of any or all of the Online Banking Services including eStatements indicates your acceptance of any change in terms. You agree that all applicable deposit and loan agreements and disclosures govern changes to fees applicable to specific accounts.

Limitation of Liability

You agree that the Bank shall not be held liable if you are unable to gain access to the website or the Bank's Online Banking System from time to time. You understand that some or all of the eStatement services and/or other system service may not be available at certain times due to maintenance and/or computer, communication, electrical or network failure or any other causes beyond the Bank's control.

We do not and cannot warrant that the eStatement service will operate without error, or that the eStatement service will be available at all times. Except as specifically provided in this Agreement or otherwise required by law, you agree that our officers, directors, employees, agents or contractors are not liable for any indirect, incidental, special or consequential damages under or by reason of any services or products provided under this agreement or by reason of your use of the eStatement service, including loss of profits, revenue, data or use by your or any third party.

Acceptance

With your acceptance of these disclosures, you agree to accept periodic deposit account statements including important notifications that may appear on your statements, in an electronic format instead of our mailing you a paper statement. First Resource Bank reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“**EndPoints**”): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your **First Resource Bank** Online Banking message in-box, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device's number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, text “**STOP**” to **31727** at anytime. Alerts sent to your primary email address will be unaffected by this action. To restore Alerts on your mobile phone, just visit the Alerts tab in **First Resource Bank** Online Banking and click the box next to your mobile number for the Alerts you'd like to receive again. For help with SMS text alerts, text “**HELP**” to **31727**. In case of questions please contact customer service at 800-840-2144. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, MetroPCS.

Limitations. **First Resource Bank** provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information.

However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside **First Resource Bank's** control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold **First Resource Bank**, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

MOBILE DEPOSIT CAPTURE TERMS AND CONDITIONS DISCLOSURE AGREEMENT

This Mobile Deposit Capture Agreement (the "Agreement") governs the use of the First Resource Bank Mobile Deposit Capture Service (the "Service" or "Mobile Capture"). The words you and your refer to either and all of the persons subscribing to or using the Service. The words we, us, and our, refer to First Resource Bank (the "Bank"). By accepting this Agreement and using Mobile Deposit Capture, you agree to all the terms, conditions and notices contained in this Agreement and accept responsibility for your use of the Service. Other agreements you have entered into with us, including the Terms and Conditions of Your Account and the Online Banking Agreement, as applicable to your account(s) with First Resource Bank, are incorporated by reference and made a part of this Agreement.

Qualification

In order to enroll in this Service, you must be designated as an owner of a First Resource Bank account (the "Account") that is eligible for this Service.

Conditions

As conditions to the Bank's provision of Service, you must maintain the account in good standing and comply with requirements and restrictions set forth in this agreement, as well as those of the Deposit Account Agreement.

Indemnification and Hold Harmless

FAILURE TO PROTECT YOUR HARDWARE AND SECURITY CREDENTIALS MAY ALLOW AN UNAUTHORIZED PARTY TO ACCESS THE SERVICE AND TRANSMIT AN ELECTRONIC ITEM FOR DEPOSIT. ALL USES OF THE SERVICE THROUGH YOUR SECURITY CREDENTIALS WILL BE DEEMED TO BE AUTHORIZED BY YOU AND BE BINDING UPON YOU. YOU ASSUME THE ENTIRE RISK FOR THE FRAUDULENT OR UNAUTHORIZED USE OF YOUR SECURITY CREDENTIALS AND INDEMNIFY AND HOLD FIRST RESOURCE BANK HARMLESS FOR ANY UNAUTHORIZED USE OR LOSS. YOU AGREE TO (I) FOLLOW THE SAFETY AND SECURITY RULES FOR YOUR MOBILE DEVICE, (II) FOLLOW THE INSTRUCTIONS AND RECOMMENDATIONS THAT FIRST RESOURCE BANK PROVIDES YOU WITH RESPECT TO THE SERVICE AND (III) USE MAXIMUM CAUTION IN PROTECTING YOUR HARDWARE AND SECURITY CREDENTIALS FROM UNAUTHORIZED ACCESS. YOU AGREE TO NOTIFY FIRST RESOURCE BANK IMMEDIATELY IF YOU BECOME AWARE OF ANY LOSS OR THEFT OF, OR ANY UNAUTHORIZED USE OF THE SERVICE OR YOUR SECURITY CREDENTIALS.

You will use the Service only for paper items that are payable to and endorsed by you.

You will properly secure all hardware you use in connection with the Service (including, but not limited to, securing the hardware with Security Credentials to prevent unauthorized use). You will maintain control over and be responsible for secure retention, storage, and destruction of original paper items for which you have created an Electronic Item. After transmitting the Electronic Item to us, you will retain the original paper items as discussed in the Check Safekeeping, Record Retention and Destruction section of this document.

Safety and Security Rules for Your Mobile Device

Following these rules is important to ensure the safety and integrity of your deposited items and to protect your bank account, as you are liable for any negligence:

- Treat your mobile device with the same care as you do your personal computer.
- Avoid storing sensitive information, like passwords and Social Security numbers, on your phone.
- Password protect your mobile device and lock it when you are not using it.
- Be aware of your surroundings and do not type sensitive information where others can see you.
- Protect your phone from viruses and malware by installing mobile security software.
- Download the updates for your phone and mobile apps.
- If you change your phone number or lose your mobile device, let us know right away.
- Monitor your accounts regularly and report suspicious activity immediately.
- Always sign off completely when you finish using your mobile app. Simply closing the browser is not enough.

Fees

The Bank currently offers the benefits and convenience of the Service to you at no additional charge. The Bank reserves the right to charge fees for the Service in the future.

Eligible Checks

Mobile Capture allows you to deposit most U.S. consumer and business checks; however certain checks are not supported through the mobile deposit channel. These items include but are not limited to: third party checks, foreign checks, substitute checks, government bonds, checks payable in a medium other than U.S. dollars, U.S., state, or other savings bonds.

Deposit Limits

The Bank reserves the right to establish and assign to you deposit limits for the Service (including limits on the dollar amount and/or number of checks you may transmit through the Service each day) and to modify such limits from time to time at the Bank's sole discretion at any time without prior notice to you, and you agree to comply with all such limits. Our current daily limit is \$1,000 per user.

Inspecting Physical Checks and Check Images

- You are responsible for inspecting both the physical check items and check images as they appear on the screen of your mobile device. Because some physical security features on the actual checks, such as watermarks, may not survive the imaging process, you must manually examine checks prior to transmission to the Bank to verify their authenticity.
- Additionally, when depositing a check via Mobile Capture, you are required to examine check images to ensure the payee name, amount, signature and other important pieces of information are legible and in accordance with the physical check. If they are not, cancel the photograph and re-photograph the item.
- Any original paper check items that remain illegible after repeated scanning/photographing attempts must be physically deposited at First Resource Bank.

MICR Lines on the Check

The bottom of your check contains numeric information that identifies the bank the check is drawn on, the account number and the check number. This information is known as the MICR line (Magnetic Ink Character Recognition). A MICR defect, such as a tear in the MICR line, or markings over the MICR line may inhibit the scanner or mobile phone's ability to read this information. If you receive error messages indicating that the mobile phone is unable to read the MICR line, the check with defects in the MICR line must be physically deposited at one of our bank locations.

Endorsements

You agree to endorse any item transmitted through the Service as follows:

Signature/Endorsement of Payee For Mobile Deposit Only at FRB

Endorsements must be made on the back of the check within 1.5 inches from the top edge, although we may accept endorsements outside this space. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

To help ensure that an electronically deposited check is not processed multiple times, either as an electronic item and/or a physical check, First Resource Bank requires that you write the words "for mobile deposit only at First Resource Bank" on the endorsement line of the check to indicate that it will only be deposited electronically. First Resource Bank may refuse to accept items which are not endorsed correctly. Marking a check in this way will also allow you to identify that the item has been photographed and deposited if it becomes intermingled with other undeposited checks.

Check Safekeeping, Retention and Destruction

- Check storage and the destruction of items processed through Mobile Capture is your responsibility because the paper checks are never physically deposited with the Bank.
- First Resource Bank requires that Mobile Capture customers use reasonable methods to securely store all source documents and all related banking information until destruction. We require that deposited check items be securely stored. To help ensure that checks are not electronically processed more than once or physically deposited at the bank after being electronically deposited, procedures should be established to ensure that only you or another account owner has access to these checks during the retention period.
- First Resource Bank recommends retention of the checks for 30 days. All items thereafter should be destroyed. Cross-cut shredding is strongly recommended for check destruction.

If you believe you may have deposited a check item more than once, please contact First Resource Bank immediately at 800-840-2144. Do not re-scan/photograph the items. First Resource Bank will provide assistance in determining the best approach for managing the situation.

Availability of Funds.

Our standard practice is to make funds from your Mobile Capture available to you on the second business day after the day we receive your deposit. Once the funds are available, you may withdraw them in cash or we will use the funds to pay debits to your account. All deposits are subject to review prior to availability.

For determining the availability of your deposits, business days are Monday through Friday, except Federal Holidays. If you transmit your Electronic Item(s) to First Resource Bank before 4:00 P.M. CST (the "Cut-Off Time") on any business day, we will review and process your Electronic Item(s) on that business day. If you transmit your Electronic Item(s) to us after the Cut-Off time on any business day, we will review and process your Electronic Item(s) on the next business day. Your Electronic Item(s) is deemed to have been received by the Bank when the Service generates the confirmation message "PENDING" in the Mobile Deposit History.

For a complete disclosure of funds availability, refer to the Funds Availability Disclosure.

Exception Items

Each business day, on which we review and process your Electronic Item, we will use reasonable efforts to review each Electronic Item and to reject any Electronic Item that we, in our sole discretion, determine to be ineligible for the service (each, an "Exception Item"). "Exception Item" includes, without limitation, an Electronic Item that (a) is illegible or contains MICR data that is not machine-readable, (b) was previously processed, or (c) is drawn on banks located outside the United States and is not payable at or through a bank located within the United States. If you wish to attempt to deposit any Exception Item to your account, you shall do so only by depositing the original paper item on which the Exception Item is based or otherwise agreed between us. Even if we do not initially identify an Electronic Item as an Exception Item when we review and process the Electronic Item to which the Exception Item relates, the Electronic Item, substitute check, or the purported substitute check created by us from it may nevertheless be returned to us because, among other reasons, the Paying Bank determines that such item or check is illegible or is an unreadable image. Our failure to identify an Exception Item shall not preclude or limit your obligation to First Resource Bank.

Chargebacks

All checks posted to your account through Mobile Capture are posted subject to our receipt of final payment by the payor bank. Upon receipt of final payment, the item becomes a collected item. If final payment is not received or if any item you have deposited is charged back to us for any reason, you authorize us to charge any of your accounts without prior notice and at any time, for the amount of the returned item, our return fee, any interest paid on that item, and any other fee we pay or incur. We reserve the right to refuse any item for deposit into your account as well as the right to withhold the availability of funds as per the "Terms and Conditions of Your Account" agreement.

Deposits to the Account

Subject to our right to identify and reject Exception Items, we shall be deemed to have accepted each Electronic Item that is not an Exception Item for deposit to the account on the business day that we process the Electronic Item, provided its transmission to us is prior to the Cut-Off Time. In addition, an Electronic Item will be deemed to have been deposited at the office where the account is maintained.

Errors

You agree to notify us promptly of any errors, omissions or discrepancies in a deposit within the time periods established in the "Terms and Conditions of Your Account" agreement. You may notify us by Secure Messaging through Online or Mobile Banking, by telephoning us at 800-840-2144, or by writing to "First Resource Bank, Attn: Deposit Operations, 7449 Village Drive, Lino Lakes, MN 55014". You agree to cooperate in any investigation by the Bank of any unsuccessful or lost transmission. Subject to applicable law, any failure by you to notify the Bank of any error, omission, or other discrepancy in accordance with this Agreement and your "Terms and Conditions of Your Account" agreement shall relieve the Bank of any liability for such error, omission or discrepancy.

Errors in Transmission

By using the Service you accept the risk that an item may be intercepted or misdirected during transmission. First Resource Bank bears no liability to you or others for any such intercepted or misdirected items or information disclosed through such errors.

Availability of Service/Contingency

When using the Service, you may experience technical or other difficulties. In the event you are unable to capture, balance, process, produce, or transmit a file to the Bank, or otherwise comply with the terms or the procedures for any reason, including but not limited to, communications, equipment, or software outages, interruptions or failures, you may transport or mail the originals of all checks to the nearest Bank location. We cannot assume responsibility for any technical or other difficulties or any resulting damages you may incur.

Termination of Service

First Resource Bank reserves the right to terminate this Service at any time and without notice, if in the Bank's sole discretion, the Bank determines that a customer has abused the Service or the Bank will suffer a loss if the Service is not terminated immediately.

Hardware and Software Requirements

In order to use the Service, you must obtain and maintain, at your expense, a compatible mobile device and applicable software, along with internet service. It may also be necessary to obtain a wireless plan from a compatible mobile wireless provider. The technical specifications and requirements that we and/or our service provider(s) establish and specify may change from time to time. The Bank is not responsible for any third party software you may need to use the Service. You agree that you will perform, or cause to be performed by properly trained personnel, all vendor recommended maintenance, repairs, upgrades, and replacements. Unless otherwise provided in this Agreement, you are solely responsible, at your own expense, for purchasing, installing, operating, testing, and maintaining all hardware and software necessary to use the Service. You must install and test your Mobile Device, your system, and any other required hardware and software before you make your first deposit through the Service. You accept any such software "as is" and subject to any terms and conditions of the software agreement you may be required to enter into directly with the third party software provider at the time of download and installation. We are not responsible for, and you release us from, any and all claims or damages resulting from, or related to, any computer virus or relating problems associated with using the Service, e-mail, or the Internet. You agree all images and files transmitted to us through the Service will contain no viruses or any other disabling features that may have an adverse impact on our network data, or related systems.
